

A Ceremony for Every Occasion has been written as a guide for Pagans and non-Pagans alike who wish to celebrate the passing of the seasons, the Wheel of the Year and who need a Rite of Passage for different times in their life. These rituals are spiritual, at the same time non-religious in the general accepted term. They can be adapted and used in different parts of the World and with different Deity, with a little work or simply used exactly as written. This book is a practical, step by step guide, and contains a basic list of all the items needed to take along to a ritual site in order to perform the ceremonies. There are illustrations and instructions on for instance how to make a set of Handfasting Cords with photos as a guide. Each chapter has an introduction with points of interest about the season and the Deity associated.
