While the Barbary slave trade is typically portrayed as Muslim corsairs capturing white Christian victims, this is far too simplistic. In reality, the fishermen and coastal dwellers of 17th-century Britain lived in terror of being kidnapped by pirates and sold into slavery in North Africa. The Barbary slave trade refers to the slave markets that flourished on the Barbary Coast of North Africa, or modern-day Morocco, Algeria, Tunisia, and western. During that time, it was common to have white slaves in the markets of the Barbary Coasts awaiting purchase. About million whites were.

For over years, the coastlines of the south west of England were at the mercy of Barbary pirates (corsairs) from the coast of North Africa, based mainly in the. Most other accounts of slavery along the Barbary coast didn't try to estimate the number of slaves, or only looked at the number of slaves in. His new book, Christian Slaves, Muslim Masters: White Slavery in the Mediterranean, the Barbary Coast, and Italy, , concluded that 1.
