

Memoirs shows in stunning contrast, the difference between a community organizer from Hawaii and the product of affirmative action, community organizer from Chicago. Miki Booth, one of the most effective full-time activists working tirelessly to expose the frauds committed by Barack Hussein Obama, shares her memoirs, a brutally honest look at Obamas push toward socialism and the ongoing rescue effort to save America. On the front lines since questions first arose almost three years ago about the constitutional eligibility of Barack Hussein Obama to serve as President and Commander-in-Chief of the U.S. military, Miki has contributed as a writer and researcher, having valuable life experience and contacts in Obamas claimed birthplace of Hawaii. The documentation she has provided and her dedication to uncovering the truth have been unflinching. Memoirs offers compelling insight to the bizarre narrative of Barack Hussein Obama aka Barry Soetero, from the perspective of a home-grown Hawaiian Islander, this passionate and riveting memoir reveals the trials of a young woman who has been through the fire and survived, ultimately translating the lessons she learned into fearless political advocacy – not the squishy type but rather into bold conservatism, brilliant journalism, and as an inspirational role model for bucking-the-tide warriors everywhere.
