

A booklet for high school students and others interested in analyzing and understanding the origins of the Cold War in an accessible format. This conflict continues to have reverberations into the 21st century. The booklet briefly examines the origins of the conflict in the Russian Revolution of October 1917. It then analyzes in detail the collision of ideologies and personalities that generated the Cold War that developed after 1945. Up to date assessments of the conflict form an integral part of the analysis of the development of the Cold War.
