

You might not know you are being influenced by fear, but it could get you fired, mess up your love life, or make you a prisoner in your situation!! The Other Side of Faith is a conversation about fear, its many disguises and the negative effects it has on our lives. It highlights the lives of several great men and women of the bible during times when they had succumb to fear, and the devastating effects they experienced as a result. Everyone has dealt with fear on some level, but few know how God views it, and how serious He is about you getting it out of your life. The Other Side of Faith is a unique blend of biblical history, personal testimony, and recent events that expose how fear operates and encourages people to examine how fear has affected their lives. The Other Side of Faith will equip you with the light necessary to see fear operating in your life, and give you a solid foundation to stand on and defeat it.
